

E-waste Management

Introduction:

Electronic waste, or e-waste, is a term for electronic products that have become unwanted, non-working or obsolete, and have essentially reached the end of their useful life.

As per E-waste Rule 2016, the E waste defined as 'electrical and electronic equipment, whole or in part discarded as waste by the consumer or bulk consumer as well as rejects from manufacturing, refurbishment and repair processes.

E-waste contains many valuable, recoverable materials such as aluminum, copper, gold, silver, plastics, and ferrous metals. In order to conserve natural resources and the energy needed to produce new electronic equipment from virgin resources, electronic equipment can be refurbished, reused, and recycled instead of being land filled.

E-waste also contains toxic and hazardous materials including mercury, lead, cadmium, beryllium, chromium, and chemical flame retardants, which have the potential to leach into our soil and water.

Benefit of recycling of E-waste:

- E-waste contains many valuable, recoverable materials such as aluminum, copper, gold, silver, plastics, and ferrous metals. In order to conserve natural resources and the energy needed to produce new electronic equipment from virgin resources, electronic equipment can be refurbished, reused, and recycled instead of being landfilled.
- E-waste also contains toxic and hazardous materials including mercury, lead, cadmium, beryllium, chromium, and chemical flame retardants, which have the potential to leach into our soil and water.
- **Protects your surroundings-** Safe recycling of outdated electronics promotes sound management of toxic chemicals such as lead and mercury.
- **Conserves natural resources-** Recycling recovers valuable materials from old electronics that can be used to make new products. As a result, we save energy, reduce pollution, reduce greenhouse gas emissions, and save resources by extracting fewer raw materials from the earth.
- **Helps others** - Donating your used electronics benefits your community by passing on ready-to-use or refurbished equipment to those who need it.
- **Saves landfill space** - E-waste is a growing waste stream. By recycling these items, landfill space is conserved.

Recycling of E-waste:

The company has tied -up with the GreenZon Recycling Pvt Ltd for collection of all our E-waste on PAN India and disposes the same at their plant at R-30, UPSIDC, Industrial Area, Sikandrabad, Bulandshahar, U.P-203205 and India. Customer can reach or call on Toll Free No **1800-274-9111**. Our representatives explain them about process of disposal and make them aware about nearest drop point available to drop the e-waste also give information about incentive we will offer to them against their end of life product. If any customer wants to handover the material from their door steps, we do send either our logistics team or E-waste Recycler India team to collect the items and channelize the same to our e-waste partner plant for final processing

Dos & Don'ts

Do's:

- Always look for information on the catalogue with your product for end-of-life equipment handling.
- Ensure that only Authorized Recyclers repair and handle your electronic products.
- Always call our E-waste Authorized Collection Centres/points to dispose products that have reached end-of life.
- Always drop your used electronic products, batteries or any accessories when they reach the end of their life at your nearest Authorized E-Waste Collection Centres/Points.
- Always disconnect the battery from product, and ensure any glass surface is protected against breakage.

Don'ts:

- Do not dismantle your electronic Products on your own
- Do not throw electronics in bins having "Do not Dispose" sign.
- Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer/ Rag Pickers.
- Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
-

Collection Centres:

GreenZon Recycling Pvt Ltd has signed an agreement with **Professional Logistics Pvt Ltd. for reverse logistics** for Channelization of E-waste to the facility. Copy of an agreement is attached for smooth channelization of E-waste.

FORM 1 (aa)
[Under rule 5 (6) and 13 (1)(ii)]

EXTENDED PRODUCER RESPONSIBILITY- AUTHORISATION

[Extended Producer Responsibility Authorisation for Producer of the Electrical & Electronic Equipment]

Ref: Your application for Grant of Extended Producer Responsibility - Authorisation for following Electrical & Electronic Equipment under E-Waste (Management) Rules, 2016

- I. Personal Computing: Personal Computers (Central Processing Unit with input and output devices): (ITEW2);
- II. User terminals and systems (ITEW9);
- III. Cellular telephones: Feature phones and Smart Phones (ITEW15);

1. EPR Authorisation Number: B- 29016(1916)/(EPR)/20/WM-III Division Date: 06.10.2020
2. M/s Zetwerk Manufacturing Businesses Private Limited, No 10061, Prestige Bella Vista, No 1/8 Mount Poonamalle Trunk Road, Ayyappan Thangal, Chennai, Tamil Nadu, 600056 is hereby granted Extended Producer Responsibility Authorisation based on:

- (a) Extended Producer Responsibility plan and;
- (b) Proposed target for collection of E-waste submitted by them.

M/s Zetwerk Manufacturing Businesses Private Limited shall meet the yearly collection target for e-waste as per the table given below:

Year	Collection Target of EEE in Weight (MT)			
	ITEW2	ITEW9	ITEW15	
			Feature phones	Smart Phones
2020-21	Nil	Nil	Nil	Nil
2021-22	Nil	Nil	Nil	Nil
2022-23	*	*	*	*
2023-24	*	*	*	*
2024-25	*	*	*	*

*Collection target will be fixed after submission of sales data.

3. The Authorisation shall be valid for a period of five (5) years from date of issue with following conditions:
 - i. You shall strictly follow the approved Extended Producer Responsibility plan, a copy of which is enclosed herewith as Enclosure-I;
 - ii. You shall ensure that collection mechanism or collection Centres are set up or designated as per the details given in the Extended Producer Responsibility plan and that shall be completed before the proposed dates if any in the EPR Plan (list of collection Centres and the toll free numbers for reverse logistics enclosed);
